

The logo for Moody Terrace, featuring the words "moody terrace" in a white, lowercase, sans-serif font. The word "moody" is set against a dark blue rectangular background, while "terrace" is on a light blue background.

DENTAL PRACTICE LTD

The logo for Albert Place, featuring the letters "ap" in a stylized, light blue script font. Below this, the words "ALBERT PLACE" are written in a light blue, uppercase, sans-serif font, and "DENTAL REFERRAL CENTRE" is written in a smaller, light blue, uppercase, sans-serif font below that.

Welcome to our first quarterly newsletter!

We've got some exciting updates to share with you this month—there's a lot going on from renovations to environmental initiatives and team milestones, we've got plenty to celebrate. Let's dive in!

RENOVATION UPDATE

Creating a Calming, Accessible Space for You

As many of you know, we've been working on a major renovation project at our beautiful Georgian townhouse. We are **so excited** to see it all coming together, and we want to share some updates with you!

Our aim with this renovation is to create an environment that enhances both your comfort and care. The new improvements will include:

- **Ground Floor Patient W/C** for easier access, especially for those with mobility concerns.
- **A Spacious Patient Lounge** for you to relax in before your appointment.
- **Private Consultation Spaces** where we can discuss your treatment plans in comfort and privacy.

The **extension** to the back of the practice is already underway, with the bricks starting to be laid. We plan to begin work on the inside of the practice by **mid-March**, which means some changes to our usual setup. The **ground-floor surgery** will be temporarily out of use, but we've taken steps to minimise the impact on our patients. For those who have concerns or need assistance, especially if stairs may be an issue, please reach out to **Alison**, our Reception Manager, who is happy to provide a solution to any dental emergencies during this time.

We can't wait to show you the final result! For real-time updates and a sneak peek at the progress, be sure to follow us on **Instagram**.

One Year and 205 Trees!

We're also celebrating a significant milestone in our **Roots4Roots** eco-project. This month marks the **one-year anniversary** of our initiative, and we're proud to report that we've placed **205** implants to date. For every implant we place, we partner with **Forest Carbon** to plant one tree, making a real difference to our environment.

Thanks to your support and our ongoing commitment to sustainability, we've already made a **considerable environmental impact**, and we're excited to continue growing this project in the years to come. Every smile we create contributes to a greener future!

CPD EVENING FOR REFERRING DENTISTS

Pitfalls of Overseas Dentistry

At the end of **March**, we'll be hosting a **CPD (Continuing Professional Development)** evening at **The Space** in Congleton, for our referring dentists of Albert Place Dental Referral Centre. We'll be discussing the pitfalls of overseas dentistry—specifically the challenges we've encountered in trying to correct cases where treatment was received abroad.

It's a topic we feel strongly about, as we see an increasing number of cases that require extra care to fix the issues caused by **overseas procedures**. It's an evening packed with insights, so if you're a referring dentist, keep an eye out for your invitation soon!

TEAM SPOTLIGHT

Congratulations on New Arrivals, Achievements, and Team Growth!

We're thrilled to announce that our lead dental nurse **Sam** and her husband have welcomed their first child, a healthy **baby boy**! We will definitely miss having Sam around for the next few months, but we're so excited for you both as you begin this amazing **new chapter**.

Enjoy every precious moment with your little one!

Huge congratulations to **Tilly** on becoming a **qualified dental nurse**! Hard work, dedication, and commitment have truly paid off. We couldn't be prouder of her achievements and we're so excited to see her grow in her role.

We're also excited to **welcome Bea** to the team! Bea has joined us as a **trainee dental nurse**, and we're looking forward to supporting her as she develops her skills. Be sure to say hello when you're next in to see us!

SAY GOODBYE TO DENTURES

A permanent solution to restore your smile and confidence

Tired of the hassle, discomfort, and inconvenience of **dentures**? All-On-4 dental implants offer a ground-breaking solution that can give you back your smile. And it's not just for patients with dentures! It can also be for patients with teeth that are **failing and breaking**. This advanced technique uses four strategically placed implants to support a full set of replacement teeth, providing a **stable, comfortable**, and fully functional alternative to dentures. Say goodbye to adhesives and slippage, and say hello to a confident, worry-free smile. Book your consultation today to see if All-On-4 implants are right for you!

That's all for now! We're so grateful for your continued trust and support. If you have any questions about our renovation, the **Roots4Roots** project, or anything else, don't hesitate to get in touch. We're here to help!

Stay tuned for more updates, and don't forget to follow us on Instagram for live progress on our **renovation**, seasonal **giveaways** and much more.

Warm regards,

The Team at Moody Terrace Dental Practice & Albert Place Dental Referral Centre
